LOCATION OF NURSERIES

Our Home Office and Nursery is located on Mobile Bay just nine (9) miles south of Mobile on State Hi-way 163 (Dauphin Island Parkway), also near the World Famous Bell-ingrath Gardens.

Turn off U.S. 90 at Theodore, Alabama, on Hamilton Blvd., traveling West, five (5) miles, then turn right on Dauphin Island Parkway (Hi-way 163) for ½ mile.

Look for Nursery sign.

TERMS AND CONDITIONS

CONDITIONS:

We accept all orders on condition that they shall be void should injury beyond our control befall the stock. All quotations are subject to prior sales of stock. Prices listed cancel all previous quotations.

PRICES:

All prices are net F.O.B. our nursery. No charge is made for packing orders for lining-out stock whether bed-grown or potted.

TERMS:

Cash with order. C.O.D. orders will be considered only when a deposit of 25% is sent with order.

BOOKING ORDERS:

Booked orders will not necessarily be binding on us unless buyer either takes delivery or confirms order with a deposit of 25% on or before January 1st.

CLAIMS:

All claims must be made immediately upon receipt of stock. We shall be glad to adjust any mistake made by us, but in no case will our liability exceed the purchase price.

SHIPPING:

Please state whether you want shipment by Express, Motor Freight or Railway Express. Parcel Post shipments will be made if the amount of postage is included in order. If no instructions are given we will use our best judgment in selection of transportation.

TRANSPORTATION RISKS:

While we use every means at our command to secure prompt delivery, we are not liable for delays in transit: Our responsibility ends upon delivery in good order to carrier.

NOTICE

We can arrange a truck load or we can put less than a load to any nursery near us that you may have loading. In other words, if you buy a small amount from us and want it delivered to a truck close by we will be glad to do so.

CAMELLIA LINERS

Nice, healthy plants with good color. Our plants are grown in fumigated beds in loamy soil with plenty of peat for fibrous root system.

Growing Camellias in gallon cans is growing in popularity everywhere.

Plant in gallon cans for Spring and Summer sales, or grow them in cans for one (1) Summer and have on hand, nice, healthy budded plants for the next Season's sales.
